Preparing for International Health Experiences: A Practical Guide (Paperback)

By -

Taylor & Francis Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English. Brand new Book. At some point in their careers, many health professionals and students wish to engage in overseas work. Learning from other systems, people and cultures is invaluable and in some cases life changing. This book is a unique resource that offers necessary insights into making the most of the experience, from pre-departure training through to return orientation. It provides information on navigating the legalities and bureaucracies of international medical training and gives insights into cultural and language competencies, including how to be ethical and deferential in the exchange of situational knowledge. Preparing for International Health Experiences is a must-read for any healthcare student considering volunteering, doing mission or practical work abroad. It covers specific medical professions from paediatrics to surgery, and allied disciplines such as dentistry and nursing. Its practical tips and consideration of ethical issues will be valued by readers of different levels and experience.

Reviews

It is one of the best publications. It really is really intriguing through reading through period of time. You will not feel monotony at anytime of your own time (that's what catalogs are for relating to in the event you request me).

-- Dr. Pat Hegmann

It is one of my favorite publications. It is among the most awesome publication I have gone through. I am just quickly will get a delight of reading through a published publication.

-- Prof. Martin Zboncak DVM
